MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Comparison of Medical Staff Workload and Personnel
Strength, FY 1962 and FY 1963

1. As requested, attached are certain key Medical Staff workload statistics for FY 1962 and FY 1963 compared with the authorized personnel strength of the Medical Staff for the same periods.

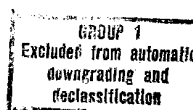

2. These statistics do not include figures for the Assessment and Evaluation Staff which did not become part of the Medical Staff until November 1962.

25X1A9a

Acting Chief, Medical Staff
